

3-MAX plus™

Cavitation Handpiece

Powerful cavitation through 36KHz Ultrasonic energy effectively reduces fat cells.
20 minutes treatment time.

RF Body Handpiece

Combination of 1MHz RF, Vacuum and LED.
Fat reduction and body contouring can be achieved with deep heat by high frequency and vacuum.

RF Facial Handpiece

Face lifting effect can be achieved with 2MHz RF and Vacuum technology. Delicate treatment is possible not only for the entire face, but also for eye area and neck area.

Multi-polar RF Handpiece

Combination of Multi-polar RF and LED helps to improve elasticity. 3 size of handpieces allows to treat various areas from the face to the whole body.
